Barriers to Training

Living in a community that is far away from training opportunities

Challenges finding money for training program

Not having the educational requirements for training or education programs

Barriers to Employment

Living in a community that is far away from jobs

Not having enough work experience to get a job

Not having enough or the right type of education or training to get a job

A better picture of the experience, training interests and skills of community members and the challenges faced will help to connect people to available jobs and help those that want to get new skills and qualifications.
