Barriers to Training

- Not having the educational requirements for training or education programs
- Living in a community that is far away from training opportunities
- Finding money for training program

Barriers to Employment

- Finding and getting a job
- Not having enough work experience to get a job
- Living in a community that is far away from jobs

A better picture of the experience, training interests and skills of community members and the challenges faced will help to connect people to available jobs and help those that want to get new skills and qualifications.
